

Invitation

'NEW' GAELIC

The **Diùth is Inneach** project is collecting community responses and thoughts about how Gaelic is used and promoted today in education, broadcasting, publishing and other areas.

We'd like to invite fluent speakers to come to a session to have a conversation about what's best for Gaelic and have a chance to pass on recommendations to Bòrd na Gàidhlig.

**No specialist knowledge is required.
All Gaelic speakers are welcome!**
