

The Methodology Mountain: What Matters in Rural / Small School Research

Thursday 5 August 2021 - Parallel Session 4 - 11.30am to 12.30pm (GMT+1)

MACDONALD – Consult a Colleague

Simone White (*Queensland University of Technology, Australia*)

There are many considerations when thinking about approaching rural/small school education research. How can we ensure that rural people and small communities matter? What methodological approaches can we use to ensure there is a focus on the rural/small communities? How can we move beyond deficit approaches & viewing the rural and small communities as more than the place a study occurs?
