

Privacy statement – University Libraries Partnership - **Staff**.

The Data Controller of the information being collected is: The University of the Highlands and Islands (UHI), Executive Office, 12B Ness Walk, Inverness IV3 5SQ. Phone: 01463 279000.

For any queries or concerns about how your personal data is being processed you can contact the relevant Data Protection Officer at dataprotectionofficer@uhi.ac.uk

This privacy statement relates to the following process:

Membership of the Library of the University of the Highlands and Islands, and of the Library of any of the Academic Partner College Libraries

What information do we collect about you?

The following information is passed to the library after your IT account is created .

- name, work address, work telephone number, work email address, ID Number, home library.

The library collects the following information on your library use

- Cumulative number of items checked out and renewed, number and details of currently checked out items, details of previously borrowed items, last date of borrowing, renewing or returning, current items 'on hold', current fines or charges owing (where applicable)

How will we use this information?

We use this information to:-

- set up your library account so you can use the library facilities
- send you information relating to your account, e.g. notifications about requested or overdue items

Who we will share your information with

In order to operate your library account, your data is shared with, and hosted by, OCLC. This company supplies the Library Management System we use to operate the libraries' borrowing and lending, and with whom we have a Third-Party Data Sharing Agreement. We will not otherwise share your information without your consent; however, there may be certain circumstances where we would share without consent such as where we are required to do so by law, to safeguard public safety, and in risk of harm or emergency situations. Any information which is shared will only be shared on a need-to-know basis, with appropriate individuals. Only the minimum information for the purpose will be shared.

Our legal reasons for using the data are:

Use is necessary for the performance of a contract with you or to take steps, at your request, before entering into such a contract.

And

Use is necessary for the performing a task in the public interest or under official authority vested in us.

Your data will, or may, be shared with the following recipients or categories of recipient

In order to operate your library account, your data is shared with, and hosted by, Innovative Industries Inc. This company supplies the Library Management System we use to operate the libraries' borrowing and lending, and with whom we have a Third Party Data Sharing Agreement.

We may also share information with staff from your home college, such as your Line Manager, or the Finance Department, in order to resolve matters concerning non-returned library items

We will not otherwise share your information without your consent; however, there may be certain circumstances where we would share without consent such as where we are required to do so by law, to safeguard public safety, and in risk of harm or emergency situations. Any information which is shared will only be shared on a need to know basis, with appropriate individuals. Only the minimum information for the purpose will be shared.

How long do we keep your data for?

Your information will be kept for the duration of your employment. We will be notified when you leave the organisation. At that point we will delete your account and all your data. Your data will be processed in line with the university's [data protection policy and regulations](#). Please Note: We will not delete your account if you still have library materials on loan.

Keeping your data accurate

It's important that your data is always accurate and up to date, so please notify us of any changes in the above details and we will ensure your data is always up to date.

How do we keep your data secure?

Firewall and operating system software programs protect your information. Databases are further protected by access restrictions. Our systems are constantly updated and tested to ensure this security is maintained.

Rights

The following rights are rights of data subjects:

- The right to access your personal data
- The right to rectification if the personal data we hold about you is incorrect
- The right to restrict processing of your personal data

The following rights apply only in certain circumstances:

- The right to withdraw consent at any time if consent is our lawful basis for processing your data
- The right to object to our processing of your personal data
- The right to request erasure (deletion) of your personal data
- The right to data portability

You also have the right to lodge a complaint with the Information Commissioner's Office about our handling of your data.
