TESTSHIB

## TestShib Identity Provider Login

Authenticating to dev.researchprofessional.com

Username:

Password:

You will be taken to your institution's login page, where you can enter your institution credentials.

(it will look different to this example)

5

\* **Research** Professional

## Unrecognised User

You could not be matched to any of our known users.

You now have three options:

You can **create a new account** using your academic email (this only works if the email is not already in our database).

You may choose to continue as a guest user

**Continue as a guest**

If you think you already have an account with us, you may return to the login page and log in with your Research Professional username and password.

Your Research Professional account will then be linked to your Shibboleth details.

**Log in with your Research Professional username and password**

Research Professional will not recognise you automatically. You will need to **create a new account** or **link to an existing account**.

## Unrecognised User

---

You could not be matched to any of our known users.  
You now have three options:

You can **create a new account** using your academic email (this only works if the email is not already in our database).

**Create a new Research Professional account (all fields are required):**

First name	<input type="text" value="James"/>
Last name	<input type="text" value="Field"/>
Email	<input type="text" value="demo@researchresearch.ac.uk"/>
Password	<input type="password" value="....."/>
Confirm password	<input type="password" value="....."/>

**Create account**

If you choose to create a new account you will need to enter your name and create a password. You will need to use an institution email address which has not already been registered with Research Professional.
